**MetaBIOLize™** is a unique blend of ingredients that promotes a more efficient metabolism of fats and carbohydrates.

**Green Coffee Bean Extract** (50% chlorogenic Acid)

- In clinical trial, green coffee bean extracts have been shown to maintain healthy blood pressure levels and to lower post-meal blood sugar levels.\*

**Garcinia Cambogia Extract** (50% hydroxycitric acid)

- Historically used to curb appetite and an aid to help alleviate occasional GI upset.\*

**Raspberry Ketones**—4-(4-hydroxyphenyl) butan-2-one

- Preliminary research suggests† raspberry ketones may have the potential to support the metabolism of fat by reducing the accumulation of fat in the body.\* It appears to do this by:
  - a. Reducing the absorption of dietary fat\*
  - b. Increasing breakdown of fats for more immediate use as energy\*
- Have been used in many popular weight loss products for their metabolic enhancing effect.\*

**Thermosaf™** is a unique blend of ingredients that supports thermogenesis for a more efficient use of calories, helps to appease appetite, and supports the maintenance of healthy blood sugar metabolism. By supporting satiety and healthy blood sugar metabolism, reduce™ helps you achieve your weight management goals.\*

**L-theanine, a component of green tea:**

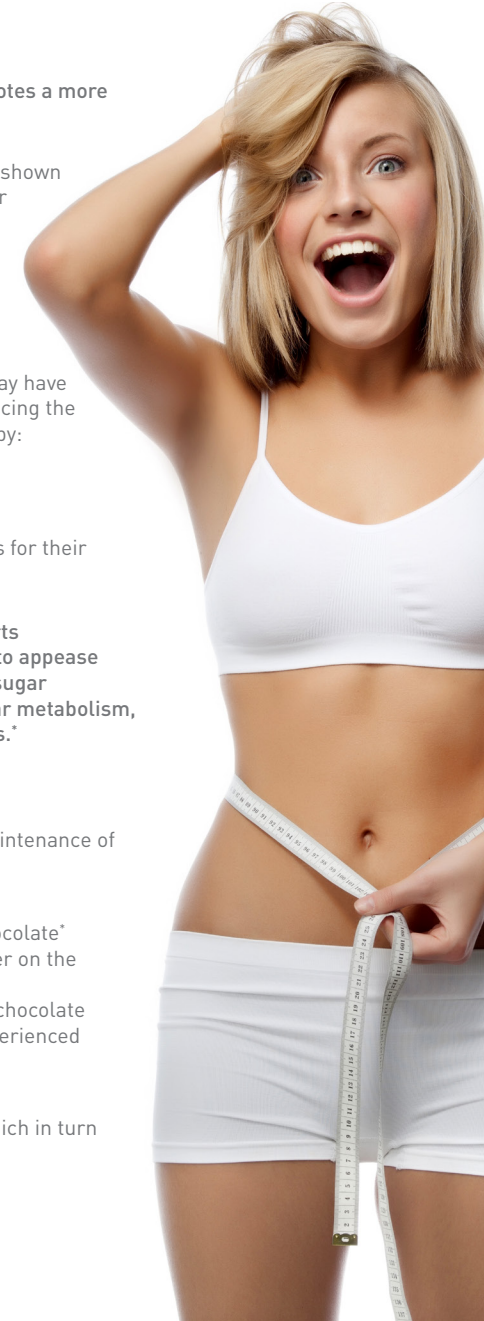

- Promotes cognitive functions\*
- Has been shown to have a calming, relaxing effect\*
- In preclinical research, has shown to promote the maintenance of blood pressure already in the normal range.\*

**Theobromine from Cocoa**

- Believed to be the "feel-good" substance found in chocolate\*
- Theobromine's stimulatory effect is milder and gentler on the cardiovascular system.\*
- Research has shown that those who consumed dark chocolate regularly had healthier blood pressure levels and experienced improvements in insulin sensitivity.\*

**Potato Protein Extract**

- Enhances body's release of cholecystokinin (CCK), which in turn helps to create a feeling of fullness and satisfaction\*
- Helps to curb hunger sensations\*
- Extracted from non-GMO white potatoes
