Our **e2™ Calm** - Digestive Blend Essential Oil Roll-On will work with all of the other Love Your Gut products to support gastrointestinal health. A combination of selected essential oils, which work together to improve gut function, are formulated in a base of Fractionated Coconut Oil.

This unique blend contains Copaiba Balsam and Coriander to help ease occasional stomach discomfort, including motion sickness and indigestion, while Peppermint, Tarragon, Anise, and Chamomile may aid with digestion and help maintain a healthy gastrointestinal tract.\* Calm is a healthy, natural, and gentle way to soothe an upset stomach.\*

## ESSENTIAL OILS

### BASE OIL:

**Fractionated coconut oil sourced from Malaysia.** Fractionated coconut oil is an ideal base oil allowing delivery of the active essential oils and then release of essential oil fragrances from warm skin so that you can experience all the benefits of this unique oil blend.
