

calm

digestive blend

Our e²TM Calm - Love Your Gut Blend Essential Oil Roll-On will work with all of the other Love Your Gut range to support gastrointestinal health. A combination of selected essential oils, which work together to improve gut function, are formulated in a base of Fractionated Coconut Oil.

Key Benefits

The e²TM Calm - Love Your Gut Blend Essential Oil Roll-On provides a number of key benefits:*

- Work with the other Love Your GutTM products*
- Support gastrointestinal function*
- Improve digestion and elimination*
- Convenient application via roll-on bottle

Product Features

Fractionated coconut oil is an ideal base oil allowing delivery of the active essential oils and then release of essential oil fragrances from warm skin so that you can experience all the benefits of this unique oil blend.

Eight high quality essential oils provide a range of therapeutic benefits

- Peppermint (*Mentha piperita*) is sourced from India.
- Copaiba Balsam (*Copaifera langsdorfii*) is sourced from Argentina.
- Coriander (*Coriandrum sativum*) is sourced from Russia.
- Anise (*Pimpinella anisum*) is sourced from Egypt.
- Sweet Orange (*Citrus sinensis*) is sourced from Portugal.
- Citronella (*Cymbopogon nardus*) is sourced from Indonesia.
- Lavender (*Lavandula angustifolia*) is sourced from France.
- Chamomile (*Matricaria chamomilla*) is sourced from India.

Product Features

- **Clinically proven, standardized ingredients**
- **All-natural**
- **Roll-on applicator makes it easy for gentle and quick application with no waste**

Ingredient Information

BASE OIL:

- Fractionated coconut oil sourced from Malaysia

ESSENTIAL OILS:

Essential Oil	Scientific Name	Country of Origin
Peppermint	Mentha piperita	India
Copaiba Balsam	Copaifera langsdorfii	Argentina
Coriander	Coriandrum sativum	Russia
Anise	Pimpinella anisum	Egypt
Sweet Orange	Citrus sinensis	Portugal
Cintronella	Cymbopogon nardus	Indonesia
Lavender	Lavandula angustifolia	France
Chamomile	Matricaria chamomilla	India

Recommended Usage

The roll-on applicator allows direct application to the skin. The Calm Love Your Gut Blend should be used on the body where the fragrance of the essential oils can be enjoyed and allowed to exert their therapeutic benefits. Ideal point of application are the wrists and throat area where the rich blood supply will ensure the essential oils are effectively dispersed.

Some of the essential oils used in this formulation can increase your reaction to the sun so use the product with care prior to sun exposure.
